Board Update:

School is starting and we're anxiously awaiting our return to our home at the Friendswood Natatorium. As usual, things didn't go perfectly for Fisd this summer to get all the work done, so they continue to press hard to finish. With that said, we will begin to use the natatorium on 8/20. Having said that, the High School also is starting out with the Water Polo season, so there will be some conflicts. Please pay close attention to the newsletter and other communications from Sharks for practice changes.

We have our annual season opening Parent's Meetings scheduled for 8/24 at the Friendswood library. I hope to see most of you there, and I think this is an important chance for us to get together and share news and plans. Please try to attend if you can.

Our Head Coach replacement process is moving and we now have resumes for approximately six candidates. The Board will be setting up "Round 1" interviews, hopefully as early as this week. We are excited by the candidates we have and are looking forward to getting a new coach in place. We will have a general membership meeting just as soon as we get our coach on staff.

Once again, I want to thank you for your patience and your support of Sharks. Hopefully we are on the edge of things returning a bit more to normal, and the Board is looking forward to our new swim season
