Board Updates:

A quick update on our Head Coach search. We had had several interviews but two of our leading candidates have chosen to take other positions. We continue to talk to a good local candidate, but the board feels its important to look at a broader set of candidates. To that end, we have hired a search firm, Swim Coach Staffing Solutions, to identify additional candidates and assist with the interview and hiring process. We are still working this hard, and wanted you to know the current status. Our plan is to have another membership meeting as soon as we get a new coach identified.

In regards to the Friendswood Natatorium, the repair work is still on track to complete by the end of July. That includes the new air conditioning system as well as replacement/removal of the overhead lights. Those are being replaced with wall-mounted fixtures. We are on track to be back in the improved facility for the start of our new season.

Thanks for your continued support and patience.

Sharks Board of Directors.
